(**) Contributing factors are listed when known.

All figures are preliminary and subject to change. A collision at an intersection located on a precinct border may appear in the list of intersections of any precinct that shares that intersection, but will appear in only one precinct list.

NOTE: In light of the creation of the new 121st Precinct, effective July 1, 2013, collisions occurring prior to that date will be included in data for either the 120th Precinct or the 122nd Precinct, depending upon the collision location.

Collisions occurring on or after July 1, 2013 will be included in data for the new 121st Precinct.
